Doughlings: Invasion Developer Diary Part 2: Visuals : Hello again! Last time we talked about design approach of Doughlings: Invasion. This time we want to talk about how we approached the visual side of Invasion.. Doughlings: Invasion Developer Diary Part 1: Game Design : Hello! Its been a while since we published a dev diary but we are making our second title these days and we want to talk about it. Our second game will be in Doughlings universe also and we named it Doughlings: Invasion. A bold name isnt it? This time we tribute another arcade classic; Space Invaders. We implemented new mechanics and visuals to an old friend. Why we choose Space Invaders is quite simple, we did a tribute to an arcade classic Arkanoid then we thought

about it, what else we could do? Space Invaders has the action and tension elements we wanted so we choose to develop an arcade shooter game.
