## About This Content

Customize your truck with your country flag! A choice of four unique paint jobs will come handy if you feel you need to show your affiliation...

- Mascații
- Wings of Night
- Romanian Flag Metallic
- Romanian Flag Decal

All of these themes are applicable to any in-game truck except for 8x4 chassis configurations.

---

Thanks for adding something with Romania. But still kinda late..... I am a Romanian :). Thanks a lol for this DLC!. As i mentioned on the ETS2 forum the Romanian Coat of arms is mirrored on the back of the truck and also should've been on a blue background like this one

[http://upload.wikimedia.org/wikipedia/commons/thumb/7/70/Coat\\_of\\_arms\\_of\\_Romania.svg/414px-Coat\\_of\\_arms\\_of\\_Romania.svg.png](http://upload.wikimedia.org/wikipedia/commons/thumb/7/70/Coat_of_arms_of_Romania.svg/414px-Coat_of_arms_of_Romania.svg.png), very nice paints. Cumparati-l pentru a da dovada ca vrem macar o parte din Romania facuta in ETS.. Finaly Romanian paint jobs . good job boys:). Romania for life! Nice DLC

---

Thanks SCS for this paintjob pack but please pay more attention to the skins before you release them! For example i have a Volvo FH Globetroller and the skin with the big flag looks like Ukraine flag - the red part is not present on the truck.. Very nice done.. I'm sorry but the first two skins do not represent Romania at all. The Third one represent a local Mask, used in traditional folk dances. Also you guys got the coat of arms wrong.

Big NO until you review your work SCS.. Very nice!They added romanian tuning.Rocomand romanilor care le place Euro Truck Simulator 2 acest DLC.))). Very nice!:) we need also Romanian map on Ets :) it will be great. Great job. Thank you very much for making this skin and I really apreciated for releasing it on 24th of january. If you could fix the Coat of arms, that would be great. Thanx you.. Good paintjobs. Romania Power !. llljj gg hhjm
