About This Game

Magnificent Monsters is a first-person adventure game that lets you explore an island full of monsters.

You are a photographer, traveling to an uncharted island to document its wildlife. Equipped only with a camera, a compass & some vegetables, you make your way through the thickets of the surrounding jungles.

- Traverse the island and discover its many secrets.
- Snap the most magnificent shots by documenting the monsters' most interesting poses.
- Collect the monsters' many snapshots in your trusty album.
- Beware: There may be deadly monsters.
- Find out what happens when you feed the hidden vegetables to the native wildlife.

Will you find the monsters? Or will they find you?
